FS - Fixed Speed
WP - Washout Port

FWD - Front-Wheel Drive
QS - Quick Storage Lever

> = Step-up Feature

HA - Height Adjustable Handlebar
QVS - Quick Vertical Stow

RECYCLER TECHNOLOGY

Features front throw chamber and Atomic blade to lift, suspend and re-cut clippings into a fine mulch for a healthy, lush garden.

3-IN-1 VERSATILITY*

Lets you use the mower as a Recycler in either rear or side discharge mode, or in rear collection mode.

WASH-OUT PORT

Makes cleaning easy. Just attach a hose to clean underneath the deck.

RECYCLE ON DEMAND

Quickly switches from recycling to bagging with the flip of a lever. 25% better bag fill means you empty the bag less often.

*Feature not available on all models. Check specifications page or Toro.com for more information on specific products.

Products depicted in this literature are for demonstration purposes only. Actual products offered for sale may vary in use, design, required attachments and safety features. We reserve the right to improve our products and make changes in specifications, design and standard equipment without notice and without incurring obligation.
